To whom it may concern.

Subject: ORIANN LLC Operations in BG and Georgi Kolishovski.

ORIANN SUPPORT have been operating in BG for about a year, our SUPPORT team and projects requires high programming skills, fast and accurate turnaround and good working environment that can handle stressful and short deadlines.

We have duly noted the services rendered by Georgi Kolishovski, that are outstanding in all aspects of our requirements including the capability to furnish solutions in the fields of PHP+AJAX and fast turnaround on support cases required standard HTML\CSS driven projects.

Best Regards,

Lori Vernon
